

# Notice on Increase in Monetary Policy Rate

Following the adjustment of the Bank of Zambia (BOZ) Monetary Policy Rate from **14% to 14.5%**, the interest rate charged on credit facilities with Access Bank Zambia Limited will increase by **0.5%** effective **1st March 2025**.

This adjustment will result in either increased loan tenors or monthly instalments. Customers are hereby advised to visit their nearest branch or meet with their designated Relationship Manager to discuss which option would be preferred.

If Access Bank does not receive customer responses by **1st March 2025**, the Bank will proceed with extending the loan tenor or adjusting the monthly instalments, as applicable.
